Bring your own device acceptable use Policy

BYOD Acceptable Use Policy – Stanhope Secondary School

BYOD Parent/Student AUP

Purpose:

Using your own device (BYOD) involves allowing students to bring their own 'mobile devices' to school to support learning activities. In an effort to support student centred learning and allow students to take more control of their own learning, the school will allow students to use certain mobile devices in the school. Students and parents wishing to participate in the BYOD must accept the responsibilities stated in the BYOD Acceptable Use Policy (AUP) as outlined below, and must read, sign, and return this form.

Types of mobile devices allowed under this policy:

For the purpose of this program, a 'mobile device' refers to a student owned device such as a tablet, laptop, netbook, iPod touch, or suitable phone. Personal gaming devices are not allowed under the BYOD programme. The school decides on the type of allowed device.

BYOD Acceptable Use Policy (AUP) Summary:

1. Any student who wishes to use a personally owned mobile device within school must read and sign this AUP.
2. A parent/guardian of the student must also read, sign and submit the AUP to the school office.
3. **In school and school related activities, only with the approval and direction of teaching staff, are students allowed to use their device for learning related activities.**
4. Students take responsibility for appropriate use of their device at all times. The school is not responsible in any way for the device or for its' use.
5. Students/parents/guardians are responsible for their devices, including any breakages, costs of repair, or replacement.
6. The school reserves the right to inspect or monitor student mobile devices during school hours.
7. Violations of any school policies or rules involving a student device may result in a student not being allowed continue using the device during school hours and/or disciplinary action, for a period to be determined by the school.
8. Students will comply with teachers' requests regarding use of devices during school hours, and classes.
9. Mobile devices must be charged prior to bringing them to school so as to be usable during school hours. Charging devices in the school is not an option.
10. Students may not use the devices to record, transmit or post photos or video of other teachers or students. No images or video recorded at school can be transmitted or posted at any time without the permission of their teachers.
11. The school reserves the right to change the AUP in line with overall school's policy.
